Klamath Falls, Oregon

Project Management

Full Stack Software Developer

Cloud Support Specialist

SAP Master Data Migration
Manager

With over 30 years of experience spanning the fast-paced environment of broadcast television to the precise, compliance-driven demands of medical device manufacturing, I've consistently delivered results by leveraging technology to drive innovation and efficiency.

Remote professional specializing in Cloud Support, SAP Data Migration, and Project Management, I've successfully led international teams, automated complex processes using SharePoint, Power Automate, and PowerApps, and managed large-scale SAP integrations—all from virtual environments. My ability to adapt quickly, collaborate effectively online, and deliver measurable results is a hallmark of my approach.

I am excited about the opportunity to bring my technical expertise, proactive problem-solving skills, and commitment to excellence to your team. I'd welcome a conversation to explore how my background aligns with your current and future objectives.

Thank you for your time and consideration. I look forward to the possibility of contributing positively to your organization.

Best regards,

Kevin Wagner
